

Membership Has Its Benefits!

The National Association of Federal Retirees is the largest advocacy organization representing active and retired members of the federal public service, Canadian Armed Forces, RCMP and retired federally appointed judges, as well as their partners and survivors.

There are numerous national Preferred Partner discounts and benefits available to Association members. Many people join the Association to enroll in the Johnson MEDOC Travel Insurance plan. MEDOC offers annual emergency medical travel insurance that coordinates with both the Public Service Health Care Plan (PSHCP) and your provincial government health insurance plan (OHIP in Ontario). Association members benefit from a specially designed plan that offers comprehensive coverage at an exceptional rate
